COLLECTOR CAR RECORD PREPARATION

A service history buyers can follow

Illustrative vehicle / 2005 Dodge Viper SRT-10

Copy for the vehicle listing

The supplied invoices document an oil and filter change at 18,410 miles and replacement of the front brake pads and both front rotors at 19,202 miles. A later estimate lists rear tires. Installation is unconfirmed.

Documented work

April 12, 2023 / 18,410 mi

Engine oil and filter replaced. Paid invoice A, line 1.

August 6, 2024 / 19,202 mi

Front brake pads and both front rotors replaced. Paid invoice B, lines 1-2.

March 19, 2025 / 19,580 mi

Two rear tires quoted. Estimate C, line 1. Completion unverified.

Follow-up for the seller

Is there a paid invoice for the rear tires? Until supplied, keep the estimate out of the completed maintenance list.

What your shop sends and gets

Remote trade service / One vehicle per packet
